

The Christina Rose Smith Service Award

Christina Rose, known by her family as “Chrissy,” was the epitome of living life to the fullest. A member of the class of 1983, Christina enjoyed being active and sharing all her time with friends, family and loved ones. She was passionate about being a friend and helping all including strangers; being present for all.

Christina was an exceptional physical therapist professionally and personally to family members, friends and strangers that became her community. Her family and co-workers often noted that Christina offered her time and talent wherever and whenever possible. Christina never turned down an opportunity to help another in need.
