

# IC CATHOLIC PREP

## ALGEBRA 2 ENHANCED SUMMER REVIEW/SUPPLY LIST

I hope you have had a restful and enjoyable summer so far. I look forward to teaching you in Algebra 2 Enhanced. I hope to teach you a deep understanding of the concepts of Algebra and prepare you for the next level of math. If you are willing to work hard, you can all be successful! I look forward to a great year.

### Supplies for Algebra 2 Enhanced:

- 1.5" 3 ring binder for pre printed notes
- Folder for papers
- separate notebook for homework (optional) or pack of paper
- pack of graph paper
- graphing calculator TI-84+

### Summer Review

The summer review will be an assignment on Delta Math. You will find instructions below for creating a new account or adding a new teacher so you can join Algebra 2 Enhanced 22-23. Please take the time to watch the instructional video linked here for IMPORTANT getting started tips. This video will show you how to access the assignment, how to navigate between topics, how the assignment is scored, available help and resources, and **how to enter your answers correctly.**

<https://youtu.be/wyk2jjEvs4U>

### A few notes:

- All work must be done on a ***separate piece of paper***. Please label the problems (for example: Adding and Subtracting Integers #1, #2, etc ) and SHOW WORK. **You must show work to get credit.** (There are a few problems where work is not necessary.) You must bring this to class on the first day.
- The first 3 topics of the review are timed problems. You must complete **10 questions** in each topic. Stop the timer after 10 questions and use the BACK button (not back button in your browser) to get back to the next topic. **DO NOT USE A CALCULATOR FOR THESE PROBLEMS**
- **DO NOT USE A CALCULATOR FOR THE FIRST 5 TOPICS** (up to Adding and Subtracting Fractions)
- For the rest of the review, you have 2 attempts at a problem. If you get a problem wrong, try to find your mistake and correct it.
- Once you click on the assignment, you can use the **“Show Example” or “Show Video”** tool to provide help. When you are ready to provide an answer, enter in the appropriate space. Then click “Submit Answer”. **Directions for how to submit answers are included in the video link.** \*\*\*IMPORTANT: to go back to the list of assignments, please use the “Back” button on the website, NOT the back button in your browser!\*\*\*

If you have any questions on this review, you can email me at [midasek@iccatholicprep.org](mailto:midasek@iccatholicprep.org)

**There will be a test covering all material in this review within the first few days of school.**

**FOR THOSE WHO ALREADY HAVE A DELTA MATH account:**

**IF YOU ALREADY HAVE A DELTA MATH ACCOUNT:**

Using the drop down menu, **choose MANAGE LOGIN AND CLASSES.**

Log into your account and click on the tools button.

Find the Add Teacher button and enter my teacher code 622140 and **select Algebra 2 Enhanced 22-23.**

Add a New Class:

Teacher code or class code:

**Instructions for creating a Delta Math account:**

1. Go to [www.deltamath.com](http://www.deltamath.com).
2. Select For Students button.
3. Click the Register button
4. Enter Teacher Code: **622140**
5. Select a class from the pull down menu Algebra 2 Enhanced 22-23
6. Under student and login information, click **Register with Google button.** **Make sure you use your IC google account.**

Course Registration

Course Code or Teacher Code:

Select a class:

Teacher Name: Mrs. Idasek

Student and Login Information

or

7. Once you Register with Google, you should be taken to the Summer Review page.
